**ORDER**

The petition has been filed by Punjab State Power Corporation Limited (PSPCL) under section 86 (1) (b) of the Electricity Act, 2003 for procurement of power on long term basis in terms of the Power Sale Agreement dated

1.9.2006 with PTC India Limited (PTC) for 200 MW power from 1000 MW Karcham Wangtoo Hydrel Project set up by Jaypee Karcham Hydro Corporation Limited (now Himachal Baspa Power Company Limited). The petition was adjourned sine-die vide Order dated 20.05.2015 passed by the Commission keeping in view the fact that decision of Hon'ble CERC in the petition for approval of Generation Tariff for Karcham Wangtoo Hydrel Project may take more time with a direction to PSPCL for revival of the petition after the decision of Hon'ble CERC. PSPCL was also directed to re-examine the necessity of procuring power from this Hydro Electric Project in view of surplus power projected in the ARR for FY 2015-16.

PTC on 15.09.2017 intimated the Commission regarding the decision of CERC in Petition No.434/GT/2014 filed for determination of Generation Tariff of Karcham Wangtoo Hydrel Project and requested for revival of the petition. PSPCL vide memo. no.1203/ISB-395-KW dated 27.09.2017 has intimated about the decision of CERC as well as their stand on availing its share of hydro power from Karcham Wangtoo Hydrel Project.

The petition and the communications received from PTC and PSPCL have been placed before the Commission for consideration. After considering the averments made in the petition and documents on record, the petition is admitted. Notice be issued to parties.
